

Card Flip Icebreaker

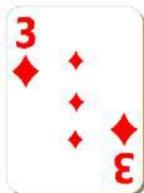

Use a deck of cards that a member of your group has handy OR use [random.org](https://www.random.org) to virtually draw cards for you. Take turns drawing and answering the question that matches the number that shows up on the card.

What is your **one** favorite holiday?

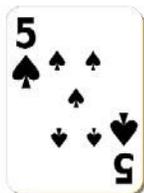

If you could only have **two** foods for the rest of your life, what would they be?

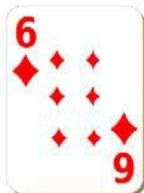

If a genie would grant **three** wishes for you right now, what would they be?

What are **four** books you have read?

What are **five** things you like to do?

Who are **six** people that are important to you?
