**... NOT  
THESE.**

# Store properly.

**2/3** of teens who misused prescription pain relievers report they got them from family and friends, including their home's medicine cabinets. (SAMHSA, 2014)

Store your medications in a lockbox.

# Dispose safely.

Dispose of your unused and expired prescription drugs at a local dropbox.

## CAN'T GET TO A DROP BOX? FOLLOW THESE STEPS:

**Mix** drugs with a substance such as dirt, cat litter or coffee grounds.

**Place** the mixture into a disposal container with a lid or a sealable plastic bag.

**Throw** away the sealed mixture in your household trash.

**Scratch out** all personal information from the prescription container's label before disposing of it.
